

JW-AX4 4 Head Linear Weigher Machine for Weighing Sesame, Seasoning Powder, Salt, Granules

4 Heads high speed linear weigher is suitable for weighing small granules such as sugar, salt, seeds, rice, sesame, monosodium, coffee, seasoning powder, etc.

Features

1. New highly integrated modular control system.
2. Automatic amplitude adjustment function, more convenient to debug.
3. Can weigh a variety of different materials at the same time to achieve mixed material packaging.
4. According to the production situation, parameters can be directly modified in operation, which is easy to operate.
5. Adopts the feeding system of the stepless vibration machine, so that the material is more even and the weighing range is larger.

Mechanical Character

1. Machine are made of stainless steel, clean and sanitary.
2. Free fall fast feeding can save more time than normal vibration feeding.
3. Precision vibrator pan to achieve small flow of accurate feeding, effectively improve the weighing accuracy.
4. The parts in contact with the materials (stopper, discharge funnel, vibrator pan, weighing hopper, etc.) can be disassembled quickly and cleaned conveniently.

Technical Specification

Model	JW-AX4
Identify Code	AX4-2-2
Weighing Range	200-4000g
Accuracy	X(1)
Max Speed	60P/M
Hopper Volume	6L
Parameters Press No.	100
Max Products Mixed	4
Control Panel	7"Touch Screen
Options	Dimple Plate/Timing Hopper/Printer/Reject Device
Power Requirement	220V/500W/50/60HZ/3A
Packing Dimension(mm)	1400(L)X1200(W)X1190(H)
Gross Weight	240kg
