

Single Side Label Adhesive Labeling Machine

Products Introduction

Single Side Label Adhesive Labeling Machine is economical, self contained, easy to operate, equipped with auto teach programming touch screen. Built in microchip storing different job setting makes fast and easy changeover. This automatic labeling system can orient label precisely for cylindrical container.

- Easy and precise to orient the label
- Labeling on different shape of bottle (Round, Cone, triangle)
- Suitable for front and back label on one web
- Labeling speed up to 100BPM
- Touch Screen Control System with Job Memory
- Simple Straight Forward Operator Controls
- Full-set protecting device keep operation steady and reliable
- On-Screen trouble shooting & Help Menu
- Stainless Frame
- Open Frame design, easy to adjust and change the label
- Variable Speed with stepless motor
- Label Count Down (for precise run of set number of labels) to Auto Shut Off
- Stamping Coding Device attached

Technical Parameter

Speed	100Bottles/minutes
Bottle size	can be customized based on the requirements
Dimension (Length × Width × Height)	1600mm×1100mm×1200 mm
Weight	250KGS
Voltage	Power:380W, Voltage: 220v, Frequency: 50-60HZ (optional)
