

Powder Package Machine ES-2000G

Granule Packing Machine is suitable for pharmacy, food, household chemicals, plastic products and other special industry and other loose type and in viscid granule material. Such as seeds, Chinese Drugs, feeding stuff, medicinal granules, pillar, monosodium glutamate, salt, sugar, soup blend, oat, tea, active carbon, washing powder, dryer, etc.

Feature:

1. Automatic granule packing machine can finish the process like conveying bag, bag making, filling, weighing, sealing, cutting, counting, lot number, etc.
2. Computer control system, stainless steel body. Set up the required data (include filling, weighing, bag size, etc) in the visible settings, the control system automatic optimization match with the entire program so that achieve the best packing speed precisely.
3. Stepper Motor control, this system has the advantage of precise, needless to adjust the other parts, and coup sur.
4. It has color system controller, so that can get the complete trade mark design.
5. Suitable for the complex film and tin foil and other packing material. Fine packaging performance, low noise, clear sealing texture and strong sealing performance.

Model	ES-2000G
Capacity (bag/min)	8-12
Packing range (ml)	100-2000
Power (kw/V)	4.0/220
Bag size L (mm) (max)	500
Bag size W (mm) (max)	280
Dimension (mm)	2200×1800×2400
Weight (kg)	1100
