

JA-50GD Rationing Bag Machine

Hopper can be easily cleaning without tools ;

Servo motor and servo drive control screw ;

All stainless steel construction ;

Equipped with a high degree of adjustment hand wheel, easy to adjust the whole height ;

Change screw attached,suitable fine powder and micro granule material measure!

技术参数 Technical parameters

型号 Model	JA-50GD
料仓容积 Hopper capacity	50L
包装重量 Package weight	50~5000g
包装精度 Packing accuracy	±1%~0.5%
填充速度 Fill rate	30-120次/分钟
螺杆直径 Auger Diameter	Φ20~Φ89
电源 Power	三相380V
整机功率 Total power	1.9KW
整机重量 The whole weight	60kg
整机体积 Whole volume	L900×W500×H800mm
