

T-18 Tea Powder Packaging Machine

Tea powder packaging machine is an automatic tea bag packing machine with thread, tag and outer envelope, and suitable for small granular products, such as tea leaves, medicinal tea and health care tea, etc.

Feature:

This machine is an automatic multi-functional tea bag packaging equipment with a new heat sealing type. The inner and outer bag forming is finished at the same time, avoid direct contact with the packing material and improve working efficiency. Inner bag is made of filter paper with thread and tag attached, and outer bag is made of composite paper. The biggest advantage is: tag attaching and outer bag making can adopt photoelectric positioning. Packing capacity, inner bag and outer bag size can be easily adjusted according to different requirements in order to achieve the best packaging results, improve product appearance and enhance the value of the product.
