

## *DZ-400B Kitchen Mini Vacuum Food Sealing Machine*

This compact tabletop vacuum sealer is an ideal choice for efficient food preservation, perfect for both home kitchens and small commercial environments. Its space-saving design allows it to fit seamlessly on any countertop while delivering powerful performance. The vacuum sealer utilizes advanced vacuum packaging technology to quickly remove air from bags, effectively preventing food spoilage and extending shelf life.

### **Product Description**

#### **Advantage**

- **Fast Vacuum Sealing:** Efficient vacuum extraction system quickly removes air, saving time.
- **Flexible Sealing Options:** Offers multiple sealing modes to accommodate various bag thicknesses and materials.
- **Automatic Cleaning Feature:** Some models include an automatic cleaning function, simplifying maintenance.
- **Versatile Packaging:** Suitable for not just food, but also for storing stationery, electronics, and other small items.
- **Low Noise Operation:** Optimized design reduces operating noise, minimizing disruption to daily activities.

## Technical Parameters

<b>Model</b>	<b>DZ-400B</b>
Voltage	110/220V 50-60Hz
Pump Power	0.9kw
Pump Capacity	20m <sup>3</sup> /h
Sealing Length	400mm (x2)
Sealing Width	10mm
Chamber Size	435x420x75mm
Dimension	490x540x560mm
Weight	≈73kgs
Certification	CE ISO
