

DGN-2 Main Machine + Agitator Stirrer Mixer

DGN-2 Main Machine + Agitator Stirrer Mixer. Agitator can mix all kinds of liquid with high and low viscosity. The stirring is finished by artificiality the container and stirrer mixer are both made of stainless steel.

Technical Parameters:

Model		DGN-2+Agitator Stirrer Mixer
Rotating Speed		0-120 r/min
Accessory Capacity		10 L
Power		220V/50Hz/0.37Kw
DGN-2	Packing Size	520×420×530 mm
	Packing Weight	120 Kg
Agitator Stirrer Mixer	Packing Size	50×60×70 mm
	Packing Weight	10 Kg
