

Automatic Cartone Forming Machine SFA-6092

Features:

- Human-Computer Interaction Design.
- Tray Forming Operation
- The large processing range for carton size.
- Glue spraying distance is control by encoder, ensuring consistent glue spraying length on each tray and permit adjustment and memorizing at any time.
- Minimization of the changeover times, in order to quickly switch from a production to another one.
- All moveable parts are provided with grease nozzle for lubrication. Hard-to-reach bearing located at the located at the machine bottom are centralized lubrication at outside through oil tube.

Specifications:

MODEL	SFA-6092
Power Source	According to Installation Place, Local Electricity Sources
Power Capacity	1.5 kw
Air Pressure	5.0 ~ 8.0 kg / cm ²
Air Flow Consumption	500 L / min
Machine Dimensions	L:2040.5 x W:1324 x H:1438 mm
Machine Weight	750 kg
Processing Capacity	25 cartons / min
Operation Control	English / Chinese Display System
