

Automatic Wrap Around Type Hot Melt Glue OPP Paper Labeling Machine UHL-series

Hot melt glue labeling machine is widely used for different material of container. The label cost is comparatively lower, it can meet the requirements of those users who have diverse kinds of the containers. It is the most economical models in cost to make mass production and integrated operating. The equipment has massively used modularization design concept to make it easy and simple for users to change the bottles. Whether from the replacement of star wheel, guide plate or manual speed adjustment to automatic speed control, for example changing the label is only needed to change the program, the products concept of that the equipment is designed for users is embodied in everywhere.

Application:

Function: Automatic Hot glue labeling machine	
Suitable for: PET bottle/Glass bottle / Jar / Can	Bottle Diameter: 28~ 125mm
Label Material: OPP label / Bopp label	Capacity: 6000~24000BPH
Application: Beverage Bottle / Water Bottle / PET can / Pop can / Plastic cup / Bottle cap	

Technical Data:

Model	UHL0604X	UHL0810X	UHL1212	UHL1615	UHL2018	UHL2024
Label stations	6pcs	8pcs	12pcs	16pcs	20pcs	20pcs
Max label width	200mm					
Max label diameter	600mm					
Paper core diameter	152mm					
Capacity	6000bph	8000bph	12000bph	16000bph	20000bph	20000bph
