

Link-50D Automatic Folding Carton Sealing Machine

Link-50D e-commerce carton sealing machine can seal 1-12 small carton boxes. It is sealed with sticky tape, and the upper and lower boxes are sealed quickly and smoothly. The sealing effect is smooth, standardized and beautiful. The width and width can be adjusted manually according to the specifications of the carton. High, simple, fast, convenient and can replace labor, improve production efficiency by up to 80%, save 5-10% of consumables, is a good choice for enterprises to save costs, improve production efficiency, and achieve packaging standardization. 50D carton sealing machine is also known as e-commerce carton sealing machine and express carton sealing machine. It is manually adjusted according to the size of the carton, and the upper cover is manually folded, and the upper and lower characters are sealed at one time.

Features of carton sealing machine:

- Manufactured with international advanced technology, and selected imported parts and electrical components;
The main color of this box sealing machine is red, and it can also be customized according to customer needs;
- . Manually adjust the width and height according to the carton specifications;
The belts on both sides are driven left and right, suitable for sealing 1-12 small cartons;
- Equipped with blade guard. Avoid accidental stabbing during operation;
It can be customized, can be operated on a stand-alone machine, or can be used in conjunction with an automated packaging line. It is the choice for enterprises to save costs, improve production efficiency, and achieve packaging standardization.

Application range of sealing machine:

Relying on the above advantages, the e-commerce box sealing machine is widely used in various industries at home and abroad, such as food, medicine, beverage, tobacco, daily chemical, hardware, toys, electricity and so on.

Technical Parameters:

Model	Link-50D
Power supply	220 v, 50 hz 0.24 KW
Maximum packing size	L 130 * W 80 * H 90mm
Minimum packing size	L ∞ * W 500 * H 500mm
Sealing speed	20 m/min
Tape Type	BOPP Tape/Kraft Paper Tape
Tape size	36/45mm
Machine size	L 850 * W 560 * H 1330mm
