

## *SH-XG16M Automatic Ketchup Chili Sauces Narrow Nozzle Bottle Screw Capping Machine With Cap Feeder*

### **Main Feature**

- ▶ This capping machine can finish leakproof caps feeding & tightening, narrow nozzle cover feeding & tightening automatically.
- ▶ Cap shape and size can be customized according to your production needs.

### **Parameter**

- Machine model: SH-XG16M
- Working voltage: AC220V/110V 50-60HZ
- Bottle height: 30-300mm
- Cap diameter: 18-70mm
- Botle diameter: 20-160mm
- Working speed: 10-25 bottles / minute (based on cap size)
- Wokingn pressure: 0.4-0.6MPa
- Machine size: About 2000\*1000\*1750mm
- Package size: About 2050\*820\*1790mm+About 1900\*770\*1780mm
- Package weight: About 315+250kg
