

YTK-150 Fully Automatic Desktop Round Bottle Labeling Machine

YTK-150 plane labeling machine for the whole high-grade stainless steel and high-grade aluminum alloy, labeling head using high-speed servo motor to ensure the accuracy and speed of labeling; all the optoelectronic systems are also used in Germany, Japan and Taiwan imported high-end products, PLC with man-machine interface control, simple operation clear.

Product parameters

- Product model: YTK-150
- Model: Fully automatic desktop round bottle labeling machine
- Speed: 20-200pcs/min
- Diameter: 30-120mm
- Height: 15-200mm
- Length: 25-300mm
- Accuracy: $\pm 1\text{mm} \sim \pm 3\text{mm}$
- Power: 1500W
- Voltage: 220V/110V 50/60Hz
- Weight: 200kg

Features:

- 1) Simple structure in linear type, easy in installation and maintain.
- 2) Adopting advanced world famous brand components in pneumatic parts, electric parts and operation parts.
- 3) High pressure double crank to control the die opening and closing.
- 4) Running in a high automatization and intellectualization, no pollution
- 5) Apply a linker to connect with the air conveyor, which can directly in line with filling machine.
