

## KC-10 Head Weigher

### Feature:

It is with 10 head stable dipper and high precision cell load.

We can adjust the speed of the on and close of the measure according to the feature of the material; it can prevent the material from crashing and damaging.

The machine is quite running, stable action and long life by adopting the servo motor.

Measure error: about 1.5g.

### Technical parameter:

Name	Multi-head weigher
Max weight	1000g
Weighting range	14-1000g
Weighting accuracy	$\pm 0.3-1.5g$
Weighting speed	Max 60 bag/min
Weighting cell load	German load cell
Material	Part touch with product is stainless steel
Power supply	AC220V/50Hz
Power	1500W
