

Cartoning Package Machine Electric RQ-ZH-120W

RQ-ZH-120W Automatic horizontal cartoning packing machine can packing tube, sachet, soft bag, bottles and etc.

Technical Parameters:

Model	RQ-ZH-120W
Speed	30-125 carton/min
Total power	0.750 KW
Power supply	220/380V 50Hz
Requirements of carton	size range of carton:L(70-185)*W(35-90)*H(14-50)mm carton weight:250-350g/m ²
Requirements of instructions	size range of instructions:L(78-250)*W(90-170)mm range of folding times of instructions:1-4 fold instructions weight:60-70g/m ²
Pressure	pressure intensity:≥0.6MPa air consumption:120-160 L/min
Overall size of machine	4300*1100*1550 mm
Net weight of machine	about 1600kg
