

Automatic Flat Sticker Bottle Labeling Machine SF-200F

This is a high-speed flat labeling machine that can quickly label perfume bottles, shower gel bottles and other flat bottles.

Features

- 1.The labeling head can choose famous brand servo motor , realize the real closed loop control the high precision subdivision, all these are designed for the high precision.
- 2.Double-stage clutch design makes label tension more stable and easy to improve labeling accuracy
- 3.The control system uses Mitsubishi PLC and famous brand touch screen.
4. Belt conveyor suitable for all kinds of flat products labeling. Can choose product entrainment mechanism or labeling mold to achieve higher labeling precision.
5. Feeding device can be selected, Suitable for leaflets, envelopes, greeting cards, cartons and other products.
6. Fully enclosed frame and SCHMEASAL safety switch can be selected.

Application

Labeling speed	10-40meters/min
Labeling accuracy	±1mm
Max label width	100mm (can be customized)
Applicable product size	Φ30-Φ80mm (can be customized)
Applicable inner diameter of paper	Φ76mm
Applicable outer diameter of paper	MaxΦ300mm
Air source	4-6KG 30L/min
Dimension	2000*800*1500mm
Voltage	220V 50Hz 2000W
Weight	250KG
