

Automatic Toffee Production Line Professional Design Toffee Candy Making Machine - BTFT

Toffee candy deposing plant suit for producing pure toffee, double color toffee, center filling toffee and stripe toffee with center filling and so on. It gathers machine and electric all in one, using the silicon moulds, and demolding automatically by pneumatic system, with high automation, high output.

Specification:

Production capacity	150-450kg/h	Power	20-40kW
Compressed air consume	0.5m ³ /min	Air pressure	P=0.4-0.6MPa
Steam consume	300kg/h	Pressure of steam	P<0.6MPa
Size	16m(L)x2m(W)x2.3m(H)	Weight of machine	6000kg
