

Automatic Sauce/Oil/Honey Liquid Packing Machines BS-240

- 1) Material contact part is made of 316 stainless steel. Equipped with Airtac cylinder, high filling precision
- 2) Famous brands configurations, high work efficiency, works stable.
- 3) CE certifications, ISO, Google partner, Alibaba partner.
- 4) Safety protection and alarm function that effectively prevents incorrect packaging.

Technical Parameters:

Model	BS-240
Filling range	1-100 ml
Film width	Max.240mm
Film thickness	0.03-0.1mm
Bag width	15-110 mm
Bag length	20-160mm
Sealing way	pillow bag, three sides seal bag, four sides seal bag
Packing speed	45-70 bags/ min
Power	1.2 KW
Machine weight	165 kg
Dimensions	600(L)* 600(W)1600(H) mm
Packing film materials	OPP, CPP, OPP/PE, PET/ PE, Aluminum, and etc.
