

YB-280F Automatic Powder Packing Machine

Small Vertical Automatic Sachet powder packaging machine is suitable for fine powder material, such as milk powder, spices powder, coffee powder, wheat flour, detergent powder, chilly powder, seasoning powder, etc

The machine is mainly used for packaging powder products, such as milk powder, milk tea powder, coffee powder, pepper, curry powder, protein powder, spices, Chinese medicine powder, chemical medicine and other industries.

Performance features:

1. The machine can automatically complete the following work: screw measurement - Code (optional) - bag making - filling - sealing - counting.
2. Computer / PLC control system, photoelectric tracking, high reliability and intelligence.
3. It is equipped with fault display system, which is convenient for operation and maintenance.
4. According to customers' needs, we can customize the punching tool holder: round hole / butterfly hole, and even package device.
5. The whole machine shell and contact materials are made of stainless steel.

Technical parameter:

Model	YB-280F
Packing speed	30-50 bags/min
Packing range	10-350ml
Film width	≤ 280mm
Making bag size	L: 50-280mm, W: 15-130mm
Packing accuracy	≤ ±1%
Power	1.6 KW
Power supply	AC220V, 50/60Hz
Seal type	3/4 sides seal, pillow seal
Net weight	300kg
Machine dimension	L600 × W790 × H1900mm
