

Vegetable Packing Machine DXD-620

DXD-620 Vegetable Packing Machine is used for pillow type packing products with bigger sizes or random length, such as vegetable, flowers and so on.

Technical Specification

1. This flow packing is controlled by 3 servo motors.
2. This horizontal packing machine could cut different bag length automatically according to length of products packed.
3. This flow wrapper could be installed with longer conveyor for easier feeding of products.
4. Max. Products height of this pillow type packing machine could pack is 150mm.
5. Wrapping film suggest to use is without print.

Technical Parameters

Model	型号	DXD-620	DXD-650
Max capacity	最大包装能力	35包/分Pcs/min	35包/分Pcs/min
Max packing film width	最大包装膜宽	620mm	850mm
Max packing film diameter	最大包装膜直径	350mm	350mm
Max packing bag length	最长制袋长度	任意Random	任意Random
Max packing bag width	最宽制袋宽度	270mm	380mm
Max packing bag height	包装膜大高度	170mm	170mm
Packing film thickness	包装膜厚度	0.02-0.05mm	0.02-0.05mm
Power supply	电源功率及规格	3Kw/220v 50Hz	3Kw/220v 50Hz
Overall size(L × W × H)	外形尺寸(长 × 宽 × 高)	2320mm × 950mm × 1350mm	2320mm × 1150mm × 1350mm
Gross weight	整机重量	400kg	400kg

Note: If the user needs special specification of equipment, we can design and manufacture for him.
注: 用户如有特殊规格, 本公司可另行设计制造
