

DZQ-400 Wrapping Machine Plastic Bag Meat Bread Vacuum Packing Machine

The industrial food vacuum sealer machine is an ideal compact and versatile vacuum packaging machine for various industries, including households, tea shops, butcheries, fresh food stores, bakeries, hotel kitchens, supermarkets, and dry goods stores.

Product Description

Advantage

- This Vacuum packing machine is an upright vacuum sealer with casters at the bottom, making it easy to move and operate while standing.
- It is equipped with two sealing strips, allowing both sides to seal simultaneously, which increases vacuum efficiency.
- The vacuum sealer machine food uses a 20m³ vacuum pump, providing stronger suction power.
- It features stainless steel components for safety and hygiene.
- The single chamber vacuum packaging machine has internal partitions for easy maintenance of electrical components.
