

## ***Automatic multi-lane round-corner powder packing machine DXDF-320T***

**Applications:** For powder products in pharmaceutical, food and chemical industries with soft bag such as tea powder, medicine powder, coffee etc.

### **Features:**

- Humanized rounded design not easy to cause scratches to ensure the safety of consumers;
- High-precision of pulling film system, automatic photo electricity tracked, PID and digital thermostatic control etc are adopted by this machine.
- Touch screen control system is easy to operate and perfect structured which is the first choice of high production efficiency, reducing labor intensity and higher packing level.

### **Parameters:**

Model	DXDF-320T
Max width of film	900 mm
Cutting number (vertical rows)	4/6/8/12 lanes
Capacity of per-line	30 bags/min
Compressed air pressure	0.6Mpa
Air consumption	2 cube/H
Power	220V 50HZ
Weight	850KGS
Dimension (L*W*H)	1370x1700x2500 mm
