VEFILL

VPC-AS Vertical Self-Adhesive Labeling Machine

VPC-AS Vertical Self-Adhesive Labeling Machine is mostly applicable for the automatic labeling, daily chemical, food, electronics and etc. it can automatically check the length of labels and is equipped with warning device of insufficient labels, broken labels and no chroma tapes. The touch screen is easy and visual to operate. In addition, it has rich help functions and failure display functions.

Technical Parameters:

MODEL	VPC-AS-I	VPC-AS-II
DRIVE	Step motor driven	
DIRECTION	Right/left	
LABELING SPEED	120-250 pcs/minute	
LABEL SIZE	W:10-80mm L:15-150mm	W:10-150mmL:15-300mm
PRECISION	+1mm(Subject to roundness and verticality of the bottle)	
LABEL ROLL	Max: 300mm	
LABEL CORE	Stander: 75mm(3")	
MACHING SIZE	100X800X1300mm	1800x800x1300mm
WEIGHT	220kg	260kg
POWER	AC110V/220V 50/60HZ 500W	
CODING DEVICE	Electric DT-280 / PneumaticDT-380
