Paper Cup Packing Machine TL-1000

This machine of Paper Cup Packing Machine is applied in counting, packing and sealing different sizes of cups automatically. It adopts photo electricity to count, controlled by microcomputer system, easy to operate, fast speed, and high efficiency.

Technical Parameter:

TECHNICAL PARAMETER	
Model	TL-1000
Packaging Type	H-type Three-side sealing
Film Thickness	0.02mm-0.06mm
Max. Film Width	420mm
Packaging Length	150mm-700mm
Packaging Height	50mm-80mm
Max. Packaging Speed	10-30 bags/min
Rated Power	3.8kw
Power Supply	220v
Dimension	L5500mmxW1200mmxH1080mm
Weight	About 680kg
