

Link-50CD Full Automatic Box And Carton Case PP Belt Strapping Machine

Link-50CD sealing and packing machine is driven by belts on both sides. It adopts sticky tape to seal, and automatically folds the top and bottom to seal the carton. , Simple, fast, convenient, can replace labor, improve production efficiency by up to 80%, save 510% of consumables, is a good choice for enterprises to save costs, improve production efficiency, and achieve packaging standardization. The carton sealing and packaging machine is also known as a carton sealing baler, a packaging and sealing machine, which is manually adjusted according to the size of the carton.

Features of carton sealing machine:

- Manufactured with international advanced technology, and selected imported parts and electrical components;
The main color of this box sealing machine is red, and it can also be customized according to customer needs;
 - The box sealing and packing machine can manually adjust the width and height according to the specifications of the carton; ·The upper cover is automatically folded, and the upper and lower characters are sealed and packed at one time;
 - Can be used with different types of automatic balers;. Equipped with blade guards. Avoid accidental stabbing during operation;
- It can be customized, can be operated on a stand-alone machine, or can be used in conjunction with an automated packaging line. It is the choice for enterprises to save costs, improve production efficiency, and achieve packaging standardization.

Application range of sealing machine:

Relying on the above advantages, the sealing and packing machine is widely used in food, medicine, beverages, tobacco, daily chemicals, hardware, toys, electronics and other industries at home and abroad.

Technical Parameters:

Model	Link-50CD
Applicable to the power supply	380V / 50Hz / 0.9kw
Work pressure	4-6Kg/cm ² 40nl/min
Minimum packing size	L 250 * W 150 * H 150mm
Maximum packing size	L 600 * W 500 * H 500mm
Mesa height	H450-700mm (adjustable)
The belt speed	20 m/min
Packing tape	Brown paper tape, BOPP tape
Tape size	W48, 60, 75mm
Baling tape requirements	Thickness: 0.6~0.8mm * width: 12-15mm
Installation dimensions	L 2000 * W 930 * H 1510mm
