

## ***FX-5050Q Self-Adaptive Carton Sealing Machine***

FX-5050Q is an automatic sealing machine that can automatically adapt to different carton sizes. The device can automatically sense and adjust the width and height, and is suitable for small batch and multi-specification production. This machine uses instant tape to seal the carton, which can complete the upper and lower sealing actions at one time.

### **Technical Parameter**

<b>model</b>	<b>FX-5050Q</b>
Power supply / power	220V 5 0/60HZ 0.24KW
Applicable carton	L: 20 0- unlimited W: 150- 500 H: 150- 500mm
Sealing speed	10-20 boxes / minute;
Tape width	48 and 60mm are used alternatively
Machine weight	180KG
Machine size	L1150*W850*H1450MM (Excluding front and rear roller racks)
