

LY-TB150A Automatic Labeling Applicators

This automatic bottle labeling machine is with a conveyor and it has similar functions like the full automatic labeling machine. It is with a reasonable design and the dimension is not that large as the full automatic labeling machine. It is the ideal choice for most of suppliers.

Application

The model LY-TB150A Labeling machine suit for different size round shape products, such as bottle, jars ,cans in food, medicine, daily chemical and other light industries.

Widely used in printing, color box, greeting card, photo album, medicine, electronics, daily chemical, cosmetics and other large-scale production industries.

Technical Parameters:

Machine Model	LY-TB150A
Voltage	110V-60HZ/220V-50HZ
Working Speed	About 60-200 bottles/min
Suitable	15-140mm (W)*25-300mm (L)
Roll Inside	Φ 75mm
Roll Outside	Φ 250mm
Suitable Bottle	About 30-100mm
Conveyor Size	About 1310*100mm
Package Size	About 1470*690*920mm
Net Weight /	About 84.5kg / 125kg
