

LTPK LT-160 Desktop Flat Surface Labeling Machine

This labeling machine is suitable for single side labeling stickers on flat surface like plastic bags, opp bags, paper, mask bag, books, file pocket, lunch box, gift box, bottle lids etc. It can label 20-120 pieces/min which can help you improve working efficiency greatly.

Technical Parameters

Model	LT-160
Voltage	110V/60Hz 220V/50Hz
Power	800W
Working Speed	20-120 pcs/min
Labeling Accuracy	±1mm
Suitable Label Size	≤150mm(W)
Roll Inside Diameter	Φ75mm
Roll Outside Diameter	Φ250mm
Suitable Product Size	0-300mm*0-500mm(W*H)
Conveyor Size	About 1200*300mm
Machine Size	About 1435*700*720mm(L*H*W)
Machine Weight	About 105.5kg
