

## ***HMPL-SLM-1 Water Bottle Sticker Labelling Machine***

Water Bottle Labelling Machine is suitable for automatic labelling 200 ml to 2000 ml PET bottles with Up to 120 Labels per minute Output Speed. The Machine incorporates the latest sophisticated Micro Processor Control Label Dispensing system with a user-friendly sensing system for labels and products.

The Automatic model is equipped with a roller spacing device resulting in a simple “No change parts required.” The built automated label length detection systems eliminate any need for manual feeding and storing of label length data in memory and retrieving the same every time for a change of label size and re-starting the machine. The Sticker Labelling Machine system thus saves valuable time, avoids the machine-down time and helps to achieve higher production.

### **Technical Data**

<b>Label Height</b>	8 mm to 90 mm
<b>Standard Label</b>	12 mm to Unlimited
<b>12 mm to Unlimited</b>	300 / 400 mm
<b>Core Diameter</b>	75 / 76 mm
<b>Power Consumption</b>	As per Capacity
<b>Machine Dimension (Feet)</b>	As per Requirement
<b>Output Speed</b>	Up to 120 Labels per Minute
<b>Conveyor Height</b>	865 – 960 mm
<b>Overall Dimension</b>	825 X 715 X 1550 mm
