

WZH-200E High speed Cartoner

Haichina Machinery Co.,Ltd is one of the best WZH-200E high speed cartoner manufacturers and suppliers in China, equipped with productive factory, welcome to buy discount and high-quality multifunction high speed cartoner, continuous cartoner, automatic cartoning machine, cartoning machine china supplier, pharmaceutical cartoning machine manufacture, high speed cartonater machine products from us and check the price with us.

A cartoner or cartoning machine, is a packaging machine that forms cartons: erect, close, folded, side seamed and sealed cartons.

WZH-200E cartoning machine is an intermittent motion cartoner, which picks a single piece from stack of folded carton and erects it, fills with a product or bag of products or number of products horizontally through an open end and closes by tucking the end flaps of the carton or applying glue or adhesive. The product might be pushed in the carton either through the mechanical sleeve or by pressurized air. For many applications however, the products are inserted into the carton manually. This type of Cartoning machine is widely used for packaging foodstuffs, confectionery, medicine, cosmetics, sundry goods, etc.

WZH-200E cartoner machine is equipped with a series of sensors and automatic protective devices to assure the machine runs safely and effectively
It can connect with Blister Machine, Pillow Pack Machine, Overwrapping machine etc., to form a Production Packaging Line.

Main features of Cartoner

PLC automatic control, frequency step less speed regulation, widely adjustment range, lower transmission noise.

Main parts adopt domestic and international famous brand to ensure the operation smoothly.
The main parts adopt the stainless steel which meets the GMP standard.

Main technical parameter of cartoner:

Model	WZH-200E
Production capacity	100-260box/min
Max.size of box(L*W*H)	200*85*70mm
Min.size of box(L*W*H)	65*25*15mm
Specification of box	250-350g/m ²
Max.size of leaflet(L*W)	220*180mm
Min.size of leaflet(L*W)	100*100mm
Specification of leaflet	60-70g/m ²
Total power	380V 50HZ 2.2Kw
Overrall Dimension(L*W*H)	4450*1460*1700mm
Weight	2500kg
