

## Small Sachet Packaging Machinery BT-40K/BT-150K

The machine widely used in packing of food, medicine, cosmetic, chemical industrial products, sugar, seed, nuts, beans, peanuts and so on.

### FEATURE:

It is a PLC type. By using computer control, the machine has functions of photo electricity tracking, endless grade speed and correct the crook, precise counting, conforms to the industrial standard, has features of stability, easy operating and maintaining, high efficiency.

### TECHNICAL DATA:

TYPE	BT-40K	BT-150K
MEASURE	Cubage	Cubage
CUBAGE	3-40ml	30-150g
BAG SIZE	L: 40-110mm	L: 70-160mm
	W: 30-80mm	W: 70-105mm
SPEED	40-80 bag/minute	35-75 bag/minute
MACHINE WEIGHT	320kg	350kg
DIMENSION	600x790x1780mm	700x800x1800mm
POWER	220V	220V
TOTAL POWER	220v/50HZ/1.5kw	220v/50HZ/1.6kw
