

DTF Three-Side Four-Side Sealing Powder Automatic Packaging Machine

Automatic powder packaging machine is suitable for food, medicine, daily chemical, pesticides, veterinary drug products of automatic packaging powder materials, for example: milk powder, soy, starch, veterinary medicine, pesticide powder, wet table powder, mask powder, enzymes, premix, glucose, seasoning, hu hot soup, five-spice powder, garlic powder, chili powder, flavors and hu powdery, coffee powder, seasoning powder, etc.

Features

The powder screw filling device of automatic powder packaging machine is a set of independent metering and filling system, which is driven by high-precision stepping motor and filled by screw. In the machine measurement range can be completed by several different sizes of screw different measurement range. The operation is simple, convenient and accurate.

Technical Parameters:

Type	DTF-240	DTF-300
Measurement method	Screw metering	Screw metering
Measuring range	10-100m	0-350ml
	(5-5ml,5-20ml,20-50ml,30-100ml)	(0-5ml,5-20ml,30-100ml,80-350ml)
Packing speed	40-60bags/min	20-40bags/min
		30-50bags/min
		40-60bags/min
Bag size	W:30-120mm L : 30-155mm	W:30-150mm L : 30-155mm
	Can be extended according to customer requirements	Can be extended according to customer requirements
Power	1400w	1600w
Voltage	330v/220v	330v/220v
Machine weight	200k	250k
Machine size	625*751*1558mm	930*730*1700mm
