

HW-420S/HW-520S/HW-720S Automatic Vertical Packing Machine

Suitable for packing puffed food, shrimp strip, peanut, cooked seeds, rice, seed, popcorn and other grain, strip and flake shaped solid material.

Features:

1. the packing machine can weight a variety of different materials at the same time, the realization of mixed material package
2. According to the production situation can directly modify the parameters in the running, easy operation
3. the machine with a pneumatic door opener, and can realize the vibration feeding machine will be automatically closed

Specification:

Type	HW-420S	HW-520S	HW-720S
Film width	Max.420	Max.520	Max.720 mm
Bag lengthmax	80-300 mm	80-350 mm	100-500 mm
Bag width	60-200 mm	100--250mm	65-350 mm
Film roll diameter	max.320 mm	max 320 mm	max.320 mm
Packing speed	5-60 bag/min	5-60 bag/min	5-40 bag/min
Measuring ragne	150-1500 ml	2000 ml	4000 ml
Film thinkness	0.04-0.12 mm	0.04-0.12 mm	0.04-0.12 mm
Power supply	220V,50/60HZ,2KW	220V,50/60HZ,2KW	220V,50/60HZ,2KW
Machine size	L1217xW1015xH1343 mm	1488Lx1080Wx1490H mm	L17800xW1350xH2050 mm
