

## *NJY-300C Automatic Hard Capsule Liquid Filling Machine*

Total output of 18,000 filled & sealed capsules per hour. Designed for ease-of-use & high-precision. With the ability to quickly clean & change capsule sizes when needed. Versatile & reliable

### Technical Data

Model	NJYF-300C
<b>Output</b>	18000pcs/h
<b>Suitable for</b>	Solution, suspension, microemulsion or hot melt
<b>Segment bores</b>	6
<b>Capsule sizes</b>	00-4#
<b>Environmental requirement</b>	RT approx. 20°C/68°F; humidity 40%--55%
<b>Connected voltage</b>	Three-phase 380V/220V, 50Hz
<b>Total power</b>	5KW
<b>Compressed air</b>	0.6Mpa
<b>Weight</b>	750KG
<b>Dimension (W×D×H)</b>	860*960*1800MM
