

High Speed Rotary Packaging Machine MR8-200RH

Features and Characteristics:

- Quick change-over and automatic adjustment of pouch width
- The advanced design ensures a stable performance and a longer life of the equipment, and a lower rate of defective products.
- Comply with the sanitation requirements of food packaging equipment to ensure food hygiene and safety

- A low waste of packaging materials

The machine adopts premade pouches with a complete pattern, a high-quality sealing, resulting in improved product quality and grades.

- Easy to Operate, with advanced PLC and POD (touch screen) electrical control system, friendly Man-Machine Interface, wide application, including liquids, paste, powder, granule, solid. Weighing equipments are available from material to material.
- The machine and the other Merry Sino devices make up a packing system.

Application:

Block: chocolate, candies, cereal, biscuits, cakes, puffed food, etc.

Granule: nuts, capsules, seeds, feeds, pesticides, fertilizers, etc.

Powder: seasoning, milk powder, washing powder, fine sugar, etc.

Liquid/sauce: detergent, juice, beverage, ketchup, jam

Pickles: carrots, etc.

Main Standard Equipment Part:

1. date printer
2. PLC control system
3. pouch opening devices
4. vibrator
5. cylinder
6. magnetic valve
7. temperature controller
8. vacuum pump
9. frequency convertor
10. output system

Optional Configuration:

Material weighing filling machines, work platform, weight checker, material elevator, finished product conveyor, metal detector

PRODUCT PARAMETER

Model	MR8-200RH
Function	·Pouch Fill/Sealing Machine
	·Spout Pouch Packaging Machine
Capacity (PPM)	30~60bags/min (the speed depends on type of products)
Pouch Size	Width(mm):80~210
	Length(mm):100~300
Filling Volume	10-1500g(Depend on type of products)
Filling Product	Powder; Grain, Solid and Liquid
Package Accuracy	Error $\leq\pm 1$
Total power	2.5KW(220V/380V,3PH,50HZ)
Demension	1710*1505*1640mm(L*W*H)
Weight	1480KGS
Compress air requirement	$\geq 0.8\text{m}^3/\text{min}$ supply by user
Application	chocolate, candies, nuts, seasoning, milk powder, detergent, carrots and so on.
Pouch type	
Features	8 stations; wash down; retortable
Notes	with auger powder filler/bulk screw feeder/product bulk hopper
