

DZ-400/500/600 Single Chamber Vacuum Packing Machine

This series of vacuum packing machine suit for composite film bags sealing, such as food, medicine, local product, aquatic product, chemical product, hardware product and electronic component etc. Vacuum packing can prevent such product from decay and modification, so as to prolong the guarantee period and storage time.

Specification:

Model	DZ-400	DZ-500	DZ-600
Vacuum Pump Exhaust	20m ³ /h	20m ³ /h	40m ³ /h
Min Absolute Pressure	0.1MPa	0.1MPa	0.1MPa
Machine Weight	75kg	100kg	170kg
Packing Speed	1-3time/min	1-3time/min	1-3time/min
Vacuum Chamber Size	400*285mm	500*375mm	600*485mm
Machine Size	490*550*1000mm	580*650*1100mm	690*760*1100mm
Voltage/Power	220V/50HZ/1.5KW	220V/50HZ/1.7KW	380V/50HZ/2KW
