

## *NY-823 Double Sides Labeling Machine*

NY-823 Fully automatic double sides labeling machine, it applies to flat, round and square bottle such as flat shampoo bottle, flat lubricating oil bottle, hand sanitizer round bottle to realize single or two sticker labeling. Widely used for Food, Beverage, Pharmaceutical, Cosmetics, Chemical, Electronic and other industries. It has optional date coding device, realize date coding on stickers.

### **Features:**

1. It applies to labeling of various bottles including round bottles, flat bottles, square bottles. More flexible arrangement for manufacturing schedule.
2. The labeling head convenient to adjust, the labeling speed is automatically synchronous with the conveyor belt speed to ensure precise labeling.
3. The speed of conveyor line, the speed of pressure belt and the speed of label output can be set and changed by the PLC human interface.
4. Use famous brand PLC, stepping or servo motor, driver, sensor, etc, good quality components' configuration.

### **Introduction:**

1. Different labeling solutions for flat surface, round labeling, taper wrapping labeling can be supplied. One product can accomplish one sticker, two stickers or more stickers labeling, also can one sticker to finish one side, two sides, three sides or more sides labeling.
2. We can supply you the optional rotary table bottle unscrambler machine, which can be connected directly before the labeling machine, the operators can put the bottles on the turning table, then the rotary table will send the bottles to the labeling machine to the labeling machine automatically.

3. It also can match with weight checker, metal detector, bottle filling machine, capping machine, can seaming machine, cover impressing machine, inkjet /laser / TTO printer etc.

### Technology Data:

Model	NY-823
Labeling Precision	±1mm (excluding product and label error);
Power Supply	AC220V 50/60Hz 1.2KW
Conveyor Speed	5~25 meters/minute;
Labeling Speed	30~150 pcs/min(Related to product, label size);
Sticker Out-Come Speed	5~25 meters/minute
Application Bottle Size	External diameter: Φ25~100mm;
	Height: 25mm~300mm;
Applicable label size	Label Length: 20mm~200mm;
	Label Width(body paper width): 20mm~110mm; 200mm (option)
Inner dia. of paper roll	Φ76mm
External dia. of paper roll	Max. Φ300mm
30Size (LxWxH)	2100mm×1400mm×1580mm
Weight	480kgs
