

Capsule Printing Machine

Feed disc and gravure rolls need to be changed to suit the shape and size of the product. Feed discs can be ordered with different numbers and sizes of pocket and can be interchanged in 5 minutes. Gravure rolls can also be ordered with any imprint and these are matched with the pocket spacing on the feed disc. Roll changing requires just one minute.

CAPSULE & TABLET SIZES

Tablets 3.175 to 12.7mm diameter. Capsules size 00 to 5 up to 25.4 mm long.

POWER & AIR REQUIREMENT

Power Supply - 230 volts single phase and 440 volts 3 phase. Compressed air requirement 4 cfm at 40 Psi
