

SA-313 POF Shrink Tunnel (mini Type)

From table type to high production type, the wide range of TAYI YEH shrink packaging machines are quality designed and engineered to give extraordinary performance.

Features

- Machine constructions use S-41 steel material.
- Machine frames formed up by model.
- Specified spare parts kit.
- Live roller rod conveyor.
- Speed changeable motor with speed desired & adjusted easily.
- Fully re-circulating heating air.
- Highly efficient heating up with good separations.
- Temperature controlled automatically.
- Temperature variable with easily operation.
- SUS thermocouple systems.
- SUS 304 stainless steel inner tunnel.
- SUS 304 stainless material wires & terminals, covered with ceramic guards.
- CE model available.
