

Automatic Double Sides Labeling Machine for Front & Back VTOPS-L-DS

Automatic double sides labeling machine used for any types of containers. Such as: round container, square container, oval container and so on.

Features:

1. All-cover stainless steel of host machine: the whole machine is waterproof as well as rustproof.
2. Cutter adjustable: uniquely cyclotron cut-off, the cutter with a long service life.
3. Single positioning center guide pillar: a more stable for label delivery.
4. Synchronous bottle divider: a more stable transmission for bottle.
5. Bottom set of label brush: a more precision for casting label.
6. Label-controlling electric-eye shelf: improve the precision for cutting off the membrane materials.
7. Push-button control cabinet: a more humanized operation.
8. Independent feeding material shelf: the position of the material shelf is optional at will.

Technical Parameters:

Model	VTOPS-L-DS
Labeling Speed	40-250 pcs/min
Labeled Error	≤ 1mm
Label Size	(L)20-300mm (H)10-180mm
Containers Size	Φ20-φ100mm H20-200mm
Roll inside(mm)	Φ76mm
Roll outside diameter(mm)	Maximum Φ300mm
Machine sine (mm)	1700*650*1300mm
Power	AC220V 50Hz 1.5kw
Machine Weight	180 Kg
