

Double Side Sticker Labeling Machine

Feature:

- 1) Import electrical components to ensure long-term stability and reliability of the round bottle sticker labeling machine
- 2) All fittings, including base cabinets, conveyor belts, and retaining rods to small screws, are made of stainless steel and aluminum profiles. no rust and no pollution, ensuring compliance with GMP environmental requirements.
- 3) PU rubber roller, vulcanized and wear resistant. Ultra-high polymer strip, wear-resistant, beautiful and smooth. Spiral bevel gear adopts Japanese KHK brand, wear-resistant and long life

Application:

The double side sticker labeling machine can be used for water, beverage, food, daily product, pharmacy, etc

Product specification:

Producing speed	1000-10000BPH
Labeling accuracy	±1mm
Label max width	200mm
Label max length	500mm
Bottle min diameter	30mm
Bottle max diameter	100mm
Bottle min height	30mm
Bottle max height	360mm

Label inner diameter	φ76mm
Label outer diameter	φ400mm
Machine size (LxWxH)	3048x1600x1700 mm
Machine power	220V 50Hz 3000W
