

Double paper tape noodle weighing and packing machine

Contains:

1. Weighting machine: one set
2. Double-slat bundling machine: one set
3. Lifting machine: one set

Applications: automatically finish the process of weighting, outputting, filling and single-slat packing of the Spaghetti and other noodle

Object:	noodle, Spaghetti
length of the noodle	(180~260mm) ±5.0mm
Thickness of the noodle	0.6~1.4mm
Width of the noodle	0.8~3.0mm
Diameter of the roll	φ15mm-30mm
Dimensions of the paper roll	12mm-24mm
Packing rate	≤28rolls/min
Weight range	40g-150g
Inputting method	number input
Variable setting:	0.1g
Exact value	200~500g , ±2.0g-96% ;
	500~1000g, ±3.0g-96% ;
Dimensions	3850mm*1000mm*1350mm
Voltage	AC220v/50-60HZ/750W
