4. Packing material use filter paper

Technical parameter:

Model	WB-70C
Packing speed	10-35 bags/min
Packing weight	2-3g(4-10ml)(depends on product)
Filter paper Diameter width	Max 70mm
Packing accuracy	$\leq \pm 3\%$ (depends on product)
Air consumption	0.6Mpa,0.3m ³ /min
Power	2.5KW
Power supply	1Ph,220V,50/60Hz
Net weight	400kg
Machine dimension	1500*1200*2120mm
