

Automatic Vertical L-Bar Sealing Machine ZF-A9070

Vertical L-Bar sealing machine with multiple functions, wide adaptability, stable performance of the whole machine, and packaging speed up to 40-45PPM. The vertical sealing machine can be customized according to the size of customer products, design the size of sealing jaw, and can produce products with different packaging specifications.

Features:

Rigorous design, processing, and assembly, coupled with stable quality brand electrical appliances, make performance of the whole machine stable, and the failure rate is extremely low under continuous long-term work, which greatly improves work efficiency.

Specification

Model:	ZF-A9070
Machine size L*W*H(mm)	2417*1748*1333
Sealing blade size L*W(mm):	900*700
Product size range L*W*H(mm):	(200-830)*(200-630)*(10-250)
Power supply:	1P/220V/50HZ/4KW
Net weight:	1200KG
