UPMACH

TC-120 Tabletop Tablet Capsule Counting Machine

Features:

- Accurate counting. Simple operation by touch screen
- Highly accurate counting speed: 600-1200 pcs/min
- Dust Accumulating device ensures counting accuracy
- Use Keyence high accuracy fiber sensor
- Stable rotary counting system and accurate sensor system
- Tool Free for counting all types tablets and capsules
- Flap Nozzle for Non-Stop counting
- Easy control variable counting speed
- Stainless steel frame complies with GMP design

Technical Parameters:

Model	TC-120
Counting Speed	600-1200 pieces/min
Container height	40mm-100mm
Container opening	Φ25-40 mm (customizable)
Container size	Φ45-60 mm (customizable)
Power supply	220v, single phase, 50-60HZ
Power	150W
Dimensions	800×660×750mm
Weight	75kg
