

LTPK LT-60 Semi Automatic Flat Surface Labeling Machine

This semi-automatic labeling machine is a cost-effective equipment that applies self-adhesive labels to products on flat surfaces for small batch production. These machines are ideal for labeling a variety of products such as boxes, bags, cartons, and other flat surfaces. These machines are widely used in industries such as food and beverage, cosmetics, and more.

Technical Parameters

Model	LT-60
Voltage	110V/220V, 50Hz/60Hz
Power	120W
Working speed	About 25-40 pcs/minute
Labeling accuracy	±0.5mm
Min. label size	L3* W4cm
Max label size	L6* W12cm
Label roll inner diameter	76mm
label roll outer diameter	270mm
Machine size	About 510*600*320mm
Package size	About 660*350*555mm
Net weight/Gross weight	About 27kg/32.5kg
