

MT-130 Desktop Automatic Round Bottle Labeling Machine

MT-130 Automatic round bottle labeling machine is suitable for round bottle, circular tank, cylinder self-adhesive labeling, suitable for PET bottles, plastic bottles, glass bottles, metal bottles round bottle labeling, widely used in cosmetics, food, beverage, pharmaceutical and other industries, greatly enhance the productivity and quality labeling.

Technical Parameter:

Model	MT-130
Voltage	AC220V/50hz
Power	500W
Labeling speed	10-90pcs/min
Precision	±1mm
Label roll diameter	75-200mm
Bottle diameter	φ20-100mm, H25-300mm
Max Label size	L15-200mm, W10-140mm
Machine size	1430*1050*940mm
Machine weight	180kg
