

DP-12 Single Punch Tablet Press Machine

DP-12 Single Punch Tablet Press Machine is to adsorb advanced technology successfully developed. It is Pharmaceutical, Laboratory and other industries first choice and able to press the power and granular material into tablets continuously and automatically. Materials high utilization, reasonable structure, convenient operation, small size, the depth of filling material and the thickness of the tablet can be continuously adjusted. All the function index of advanced machine level and full compliance with national GMP standard.

Technical Parameters:

Model	DP-12
Production Capacity	3600 pc/h
Max. Pressure	50 KN
Max. Tablet Diameter	12 mm
Filling Depth	20 mm
Max. Tablet Thickness	8 mm
Power	220V/50Hz/1.1Kw
Packing Size	480×570×800 mm
Packing Weight	120 Kg
