

“W” Type Powder Mixer Machine CE-1000W/HHJ

This machine is suitable for pharmaceutical and other industry on the dry material granule in mixed using with significant effect to liquidity powder and granules.

Characteristics:

- High mixing efficiency, without dead corner and mixing uniformity.

Technical Parameter:

Model	CE-1000W/HHJ
Full Volume	1.0m ³
Capacity (time)	450kg
Mixing Time (r/min)	06.0кт
Cylinder Speed (kw)	12
Motor Power (kw)	4
Weight (kg)	960
Gross Rotation Speed (mm)	2460
Overall Size (LxWxH)	2600 x 1600 x 2700
