

## *Semi-Auto Carton Sealer-Multipack-6603*

The CHS-6603A carton sealer is an automatically adjustable auto carton sealer. It enables every operator to start production easily because it is easy to use and adjust different cases. With top & side driving belts for the transportation of cartons it performs the sealing of the box. According to customer requirements 2' or 3' tapping heads can be included. Carton sealers have been designed and manufactured according to CE Standards.

### **Features**

- Top and side driven belts for carton sealers are suitable for packing heavy products.
- Adjustable the width manually. The carton size can be changed anytime.
- Working table height is adjustable.

### **Specification**
