

Honey Paste Packaging Machine DXDG-100II

Our excellent range of Liquid Packing Machines is offered to the clients, as per their specific requirements. The entire range of machines offered by us is designed and made as per the industrial requirements, at our state-of-the-art infrastructure. Moreover, the machines offered by us are efficient in packing different variety of liquid material with ease.

Characterized the full automation for high efficiency and intelligent control system for high accuracy.

Parameter:

Model	DXDG-100II
Voltage (V/HZ)	AC 220/50 110/60
Power (W)	1750
Packing Capacity (ml)	50-500
Capacity (bags/min)	30-60
Length of Bag (mm)	50-220
Width of Bag (mm)	30-150
External Dimensions (L×W×H) (mm)	1120×900×1950
Net Weight (kg)	480
